Dear Casey,

Congratulations! I am pleased to inform you of your selection as this year's recipient of the Honours Golf – Owen Compton Scholarship Award.

As you know, this prestigious award was established to honor Owen Compton and to reward a future golf professional who demonstrates the character, dedication and commitment that marked Owen's career in golf. You have certainly exhibited all the outstanding qualities we in Honours Golf expect in our golf professionals. Your fine scholastic record and extracurricular activities at Mississippi State, coupled with your superior performance at FarmLinks, have set you apart as a future leader in our business.

The competition for this year's award was extremely keen, as we were blessed by many fine interns who chose to work with us. You can take justifiable pride in knowing you were selected as the best of the best! In recognition of this achievement, we have provided a check for \$2500 in your name to Mississippi State to be applied toward your academic needs.

Again, please accept our congratulations for this most worthy recognition, and our very best wishes, as you pursue your professional goals in golf!

Sincerely,

Robert B. Barrett
Chief Executive Officer
